

PhD Studies

STUDY PROGRAMS

- Military Mechanical Engineering
- Materials Technology and Protection
- Military Electronic Engineering
- Military Sciences

The Military Academy organizes doctoral studies, the goal of which is to educate students for independent scientific research with the highest level of education obtained.

Doctoral studies are performed on the basis of accredited study programs that last for three years and upon their completion, 180 ECTS points are earned.

The doctoral dissertation is the final part of the study program of doctoral studies and represents an independent and original scientific research paper in the appropriate scientific field or several scientific fields.

A person who defends a doctoral dissertation acquires the scientific title of "Doctor of Science" (PhD) in the relevant scientific field.

STUDY PROGRAMS

MILITARY MECHANICAL ENGINEERING

Diploma: PhD in Mechanical Engineering

MATERIALS TECHNOLOGY AND PROTECTION

Diploma: PhD in Technology and Engineering

MILITARY ELECTRONIC ENGINEERING

Diploma: PhD in Electrical and Computer Engineering

MILITARY SCIENCES

Diploma: PhD in Military Sciences

Language of the study:	Serbian
Number of ECTS credits:	180 ECTS
Course duration:	3 years - 6 semesters
Period:	October - September
Entrance requirements:	Master Studies completed (300 ECTS)
Foreign students:	Yes
